

RenaissanceRe provides this ESG Content Index to accompany the Company’s other ESG disclosures, including those contained on the Company’s website and in certain documents filed with the U.S. Securities and Exchange Commission, such as the Annual Report and Proxy Statement. This index assists readers in locating RenaissanceRe’s public disclosures relevant to the Sustainability Accounting Standards Board (“SASB”) and the Task Force on Climate-related Financial Disclosures (“TCFD”) frameworks. The “Information Location” references contained herein are not intended to be exhaustive, but to direct readers to the most relevant information responsive to the referenced standard. RenaissanceRe is continuing to review the various sustainability frameworks and is collaborating internally to expand upon these disclosures in the future.
