

SEPTEMBER 30TH, 2021

Agenda

12:00 PM EDT: **Welcome** - Kevin O'Donnell, Chief Executive Officer, RenaissanceRe
& **Session Introduction** - Mike Cohen, SVP, Chief Counsel - Governmental Affairs

12:10 PM EDT | **Panel discussion | The Science:** What we know about the current climate and topography, what we expect over the next 30 years, impacts to homes, businesses, and the tax base. The Challenge?

Moderator: Craig Tillman, RenaissanceRe Risk Sciences

1:10 PM | **Panel Discussion | The Solution:** How do we help protect this area from the worst impacts of climate change? Holistic look at structural, nonstructural mitigation, community-based programs, land use, and other ideas to reduce weather impacts.

Moderator: Jeff Manson, RenaissanceRe

2:40 PM EDT | **Financing: How do we pay for it?**

Panel 1 - The Private Sector: What is the role of the private sector and capital markets in helping communities transition to a resilient and sustainable future?

Moderator: Angela A'Zary, RenaissanceRe

Panel 2 - The Role of the Government: What is the role all levels of government in planning and funding protections for constituents from the worst impacts of climate change and sea level rise

Moderator: Michael Cohen, RenaissanceRe

4:20 PM EDT | **The Plan**

Summary of what was discussed and how it could apply to other places around the US and the Globe.

Moderator: Ian Branagan, RenaissanceRe
